

### Empowering Business Success

Government Contracts • Cybersecurity • Technology Law

Capstone Law Solutions is a **Veteran-Owned, Woman-Owned** boutique law firm focused on government contracts, cybersecurity, and technology transactions. Our team has served as counsel to the **CIA and the U.S. Navy**, as officers in the **U.S. Army JAG Corps** and the **U.S. Air Force**; led a \$29 billion contract integration portfolio at **U.S. Special Operations Command**; and held in-house roles at **Northrop Grumman, IBM, and McKinsey**. We deliver senior-led, cleared, procurement-aware counsel to federal contractors, technology companies, and the agencies they serve.

## KEY PERSONNEL

### Jennifer Morris, Esq.

*Founder & Managing Partner*

26 years in cybersecurity, cleared government contracts, and national security law. Former counsel with the U.S. Navy, U.S. Army, and CIA; in-house at Northrop Grumman, IBM, and McKinsey. Leads firm direction on procurement compliance, technology transactions, and breach response.

### Erika Reagan, Esq.

*Government Contracts & Compliance*

Government contracts and compliance attorney with a decade in litigation and disputes across regulated sectors. Focuses on contract enforcement, disputes, and compliance risk in federal procurement and cyber compliance environments.

### Janie Sullivan

*Acquisition Expert/Contracts Director*

Former USSOCOM Chief of Contract Integration (\$29B portfolio). TS//SCI cleared with unlimited Air Force and SOCOM contracting warrants. Advises on federal acquisition strategy, contract administration, and supply-chain risk for defense and national security clients.

### Kayla Kaydas

*Operations & Litigation Support*

Litigation-trained paralegal supporting complex documentation, deadlines, and internal controls. Manages firm administrative operations and keeps matters moving on schedule.

## CORE COMPETENCIES

### GOVERNMENT CONTRACTS & ACQUISITION
